

Solar Flood Light with power indicator, battery indicator

Product Name	Picture	Specification	Working Mode	PCS/Carton	G.W./Carton
Solar Flood Light 25W		LED Power: 25W Solar Panel: Polycrystalline (10W/6V) Solar panel size: 345*175*17mm Battery: 6000MAH/3.2V LiFePO4 26650 LED Light Source: 42pcs 5730 CF LED Material: Anti-oxidation die-cast aluminum + polysilicon photovoltaic panels Waterproof: IP65 Charge time: 8H Discharge time: 12H Lighting Area: 80m ² LED Lamp Size: 191*160*47mm Carton Size: 480*400*350mm G.W per piece: 2.3kg	Light control + Remote control	10pcs	28kg
Solar Flood Light 40W		LED Power: 40W Solar Panel: Polycrystalline (15W/6V) Solar panel size: 270*240*17mm Battery: 10000MAH/3.2V LiFePO4 26650 LED Light Source: 80pcs 5730 CF LED Material: Anti-oxidation die-cast aluminum + polysilicon photovoltaic panels Waterproof: IP65 Charge time: 8H Discharge time: 12H Lighting Area: 100m ² LED Lamp Size: 225*192*64mm Carton Size: 510*430*340mm G.W per piece: 3.3kg	Light control + Remote control	8pcs	28kg
Solar Flood Light 60W		LED Power: 60W Solar Panel: Polycrystalline (18W/6V) Solar panel size: 350*350*17mm Battery: 20000MAH/3.2V LiFePO4 36650 LED Light Source: 120pcs 5730 CF LED Material: Anti-oxidation die-cast aluminum + polysilicon photovoltaic panels Waterproof: IP65 Charge time: 8H Discharge time: 12H Lighting Area: 120m ² LED Lamp Size: 266*221*64mm Carton Size: 460*440*410mm G.W per piece: 4.2kg	Light control + Remote control	7pcs	31kg
Solar Flood Light 120W		LED Power: 120W Solar Panel: Polycrystalline (30W/12V) Solar panel size: 530*350*17mm Battery: 20000MAH/6.4V LiFePO4 36650 LED Light Source: 240pcs 5730 CF LED Material: Anti-oxidation die-cast aluminum + polysilicon photovoltaic panels Waterproof: IP65 Charge time: 8H Discharge time: 12-14H Lighting Area: 150m ² LED Lamp Size: 301*250*76mm Carton Size: 560*390*290mm G.W per piece: 5.6kg	Light control + Remote control	4pcs	24kg
Solar Flood Light 200W		LED Power: 200W Solar Panel: Polycrystalline (35W/12V) Solar panel size: 580*350*17mm Battery: 30000MAH/6.4V LiFePO4 36650 LED Light Source: 306pcs 5730 CF LED Material: Anti-oxidation die-cast aluminum + polysilicon photovoltaic panels Waterproof: IP65 Charge time: 8H Discharge time: 14-16H Lighting Area: 200m ² LED Lamp Size: 340*280*86mm Carton Size: 660*380*330mm G.W per piece: 6.9kg	Light control + Remote control	4pcs	28kg

1. This offer is only EXW price, does not include shipping cost.
2. More quantity more discount.
3. Payment Terms:T/T or Western Union 100%
4. Quotation validity: 20 days.
